## Committee Reports

- Land Committee Report- Tent at the property needs repair work, suggestion was made to take down the tent and have it repaired approx cost of \$500-\$800. Committee will look into it and report back. Gene Gaylord made a motion to repair the tent for a max of \$1,000 seconded by Jake Kelly. Committee still needs help at the property. Club needs to get Troy Kay's storage unit moved down to the property to put the mower in it and get it out of the weather and any other equipment of value.
- T-Shirt Committee –all set, may need to do a member order, supplies are getting low
- Trailer Committee - Troy Kay, Rocky Failing and Dave Reinckin- all good, Randy Clarke knows about a bike trailer that cost \$2,500. He will check on size and price
- Bike Committee – bike has a small dent in back we need to get it repaired after the Fair. Do we need to turn it into the insurance company?
- 501c3 Committee- Tom Hunt finished all the tax forms and they will be mailed. Rose will continue to be our representative.
- Website- no report
- Board of Directors- no reports
- By-Laws- no reports

Event Committee- Club House Run raised \$1,313 dollars, total expenses were \$41.87. The total profit was \$1,271.13. Everything else was donated or paid for by the members. We also have enough food left over for a cook out after our next social meeting if members want. Do members want to ride or do a cook out at the next social meeting.

- Safety Committee—Dave Reinckin, we need to write down rules for rides with no road guards to help protect ourselves and others. We should have 3-4 road captains on every ride. ECR members should stay in their own pack on outside runs and offer to help with safety but it is other club rides and we need to respect that. Jay Tamez suggested adding Paul Harpis and Ron Schneider as road captains. All members should be able to road guard. Randy Clarke offered to teach a first aid class for any or all ECR members. Ron Schneider made a motion that emergency first aid classes should be setup. Possibly 5 classes could be setup, with a signup sheet to be sent around.
- Ticket sales to date (does not include any turned in at the meeting tonight) 1,297

**Old Business** – Make a wish bike transport and insurance request was not going to work because of logistic complications. Ron Hinkel Run is all set. Food signup for Hinkel Run is being passed around. Refrigerators will be turned on at the club where the ride will end. Food can be taken down on Friday.

John Boice's father passed away and members attended the services, card and donation was sent. President Martino reminded members that we need to continue to collect Hogs for Hospice raffle prizes.

## **New Business** –

- Claverack Veterans event on August 28<sup>th</sup> has been cancelled due to a death
- Brian Nehman requested help bringing down wood for cooking.
- Rotary Club speaker coming to next meeting?
- Skeeter Creek event at Lyons Lake- need a good showing and help selling tickets

## **New Members/Prospects:**

Greg Pottenburgh was voted in and received his bottom rockers. Brian Pulver was introduced as a new prospect. Robert Hallenbeck (not at meeting/not paid yet) also submitted an application sponsored by Ron Hinkel.

50/50 Drawing: \$ 65.00 was won by **Marc Martino** donated to Ron Hinkel Ride

August 15<sup>th</sup> meeting at the property followed by a ride.

The meeting was adjourned by President Mark Martino at 8:42 pm.
